Family Description Text

The Big Foot Collection is more than furniture; it is a sculptural language of bold forms and quiet strength. Rooted in the spirit of the 1970s yet reimagined for the present, it carries a presence that feels both commanding and inviting. Inspired by brutalist architecture and contemporary sculpture, each piece is anchored by its iconic cylindrical legs, modern in expression and timeless in character, lending every design a sense of quiet monumentality.

Within the collection, two worlds converge: the warmth of upholstery and the raw allure of fiber concrete. The upholstered pieces wrap their geometric silhouettes in softness, balancing resilience with comfort and offering a tactile invitation to pause, sink in, and stay. The fiber concrete designs, by contrast, suggest weight and permanence yet reveal themselves as astonishingly light, effortless to move, and full of surprising ease.

Every surface whispers a story. Upholstered in rich textiles, the pieces exude warmth and refinement, while the hand-painted concrete reveals a raw beauty that recalls the poetry of architecture and the fluid grace of sculpture. Together they speak in contrasts of softness and strength, permanence and change, intimacy and bold expression, woven into a harmonious dialogue of form and feeling.

The Big Foot Collection is sculpture for living. Each piece holds a commanding presence, whether standing as a centerpiece or quietly shaping the atmosphere of a room. With bold forms and hand-painted details, the collection transforms everyday function into art, turning spaces into sanctuaries where design and life merge seamlessly.

Maintenance Guide Description

Bouclé's looped yarns give it its charm but also require mindful care. Vacuum the upholstery regularly with a soft brush attachment to remove dust and prevent dirt from settling between the loops. To protect the fabric, avoid contact with sharp objects or rough clothing that may snag the fibers.

In the event of spills, gently blot with a clean, dry cloth never rub, as this may distort the loops or spread the stain. For light soiling, use a mild upholstery cleaner suitable for synthetic fabrics and always test on a hidden area first. Professional upholstery cleaning is recommended for deeper maintenance.

Keep bouclé furniture away from direct sunlight to prevent fading, and avoid prolonged exposure to moisture. With simple care, bouclé will maintain its softness, texture, and inviting comfort for years to come.

Materials Description

Bouclé is a distinctive fabric woven from looped yarns that create its signature soft, tactile texture. Crafted from 100% PES (polyester), it combines luxurious comfort with excellent durability, making it perfectly suited for upholstered furniture. The nubby surface adds visual depth and a cozy, inviting feel, ideal for living rooms, bedrooms, or any space where warmth and style meet. With its unique blend of softness and resilience, bouclé remains a timeless choice designed to endure everyday use.
