Drop Chandelier - White (5m)

Product Description

You can almost sense the movement of the Drop Chandelier, as if it were a living sculpture, effortlessly adapting to its surroundings.

This striking design doesn't just occupy space - it transforms it, radiating elegance and artistry. Rooted in the timeless aesthetics of 1950s modernist lighting, the Drop Chandelier pays homage to the past while embracing the future.

Its fluid, organic form is brought to life through 14 flexible, adjustable arms, allowing for endless compositions, angles, and expressions. The gently curved shades create a dynamic play of light, making every moment feel unique.

Crafted with meticulous attention to detail, the chandelier's plated metal body is carefully hand-brushed with a white finish, ensuring a refined, artisanal touch.

The Drop Chandelier transcends conventional lighting - it is a refined expression of artistry, fluidity, and timeless innovation.

Designer Description

Tommy Hyldahl and Kristian Sofus Hansen intertwine their distinct sensibilities to create designs where storytelling, materiality, and timeless form meet in quiet harmony.

With a background in fashion, Tommy brings an intuitive eye for trends, colors, and textures. His process is one of layering histories, blending details and references from past design periods and reimagining them into something fresh and contemporary. Each collection unfolds as a narrative, evolving from concept to creation, with every element contributing to a greater story.

Kristian, who has lived and studied in Japan, seeks to unite Japanese aesthetics with Danish design, creating a characteristic twist on simplicity itself. His work is defined by the search for subtle, original details that elevate each piece with a unique signature. Drawing inspiration from art and sculpture, his creative process unfolds in new and exciting ways, always striving to craft designs that are both functional and timeless.

Together, they craft design that transcends time, poetic yet practical, expressive yet enduring.

Family Description Text

You can almost sense the movement of the Drop Chandelier, as if it were a living sculpture effortlessly adapting to its surroundings. This striking design doesn't just occupy space it transforms it, radiating elegance and artistry. Rooted in the timeless aesthetics of 1950s modernist lighting, the Drop Chandelier pays homage to the past while embracing the future. Its fluid, organic form comes to life through 14 flexible, adjustable arms, allowing for endless compositions, angles, and expressions. The gently curved shades create a dynamic play of light, making every moment unique. Transcending conventional lighting, the Drop Chandelier is a refined expression of artistry, fluidity, and timeless innovation.

Color Description

White carries a soft, natural tone with a gentle warmth that recalls the calmness of birch wood. Subtle and refined, it softens form while maintaining a contemporary clarity. The colour feels timeless and versatile, balancing lightness with depth to bring a serene presence to any setting.

Drop Chandelier - White (5m)

Maintenance Guide Description

Our lamps finished in durable powder coating are designed to combine color depth with long-lasting protection. To preserve the surface and ensure lasting quality, gentle and regular care is essential.

Powder-Coated Surface

Dust regularly with a soft, dry microfiber cloth. For deeper cleaning, use a slightly damp cloth with warm water and, if necessary, a mild, pH-neutral soap. Dry immediately with a clean, lint-free cloth to prevent streaks or water marks. Avoid abrasive pads, harsh detergents, solvents, or acidic cleaners, as these may scratch or damage the protective coating.

General Care

Always switch off and unplug the lamp before cleaning. Do not expose the lamp to excessive humidity or direct water contact. With simple, consistent care, the powder-coated finish will maintain its smooth texture, colour depth, and refined appearance ensuring your lamp remains modern and timeless for years to come.

Materials Description

Powder-coated aluminium reflects the balance of strength and refinement. Each piece is coated with precision, resulting in a smooth and uniform surface that emphasizes form and silhouette with clarity. The finish enhances durability while introducing a calm, tactile character that enriches the material's expression.
