Pearl Floor Lamp - Chrome

Product Description

A poetic balance of tradition and modern design, the Pearl Floor Lamp is a luminous tribute to the timeless beauty of Japanese lanterns. Softly glowing from within, the opal glass orb is partially embraced by a delicately perforated aluminium screen, casting intricate patterns of light and shadow that shift with every turn. With its fluid adaptability, the rotating screen allows you to shape the ambiance, creating a lighting experience that feels both intimate and artistic.

Suspended within a sleek, sculptural frame, Pearl appears almost weightless, a refined interplay of material, light, and form. Crafted in plated aluminium with a polished Chrome finish, the floor lamp reflects its surroundings with mirror-like clarity, adding brilliance and sophistication to any space. Its hand-brushed finish ensures each piece carries an artisanal, expressive presence.

Ideal for living rooms, bedrooms, or study corners, the Pearl Floor Lamp - Chrome serves as both functional illumination and a sculptural object, bringing warmth, harmony, and quiet sophistication wherever it stands.

Designer Description

Tommy Hyldahl and Kristian Sofus Hansen intertwine their distinct sensibilities to create designs where storytelling, materiality, and timeless form meet in quiet harmony.

With a background in fashion, Tommy brings an intuitive eye for trends, colors, and textures. His process is one of layering histories, blending details and references from past design periods and reimagining them into something fresh and contemporary. Each collection unfolds as a narrative, evolving from concept to creation, with every element contributing to a greater story.

Kristian, who has lived and studied in Japan, seeks to unite Japanese aesthetics with Danish design, creating a characteristic twist on simplicity itself. His work is defined by the search for subtle, original details that elevate each piece with a unique signature. Drawing inspiration from art and sculpture, his creative process unfolds in new and exciting ways, always striving to craft designs that are both functional and timeless.

Together, they craft design that transcends time, poetic yet practical, expressive yet enduring.

Pearl Floor Lamp - Chrome

Family Description Text

A poetic balance of tradition and modern design, Pearl is a luminous tribute to the timeless beauty of Japanese lanterns. Softly glowing from within, the opal glass orb is partially embraced by a delicately perforated aluminium screen, casting intricate patterns of light and shadow that shift with every turn. With its fluid adaptability, the rotating screen allows you to shape the ambiance, creating a lighting experience that feels both intimate and artistic. Suspended within a sleek, sculptural frame, Pearl appears almost weightless an elegant interplay of material and light. Meticulously crafted from plated metal and hand-brushed to perfection, Pearl is available as both a pendant and floor lamp, bringing a sense of warmth, harmony, and quiet sophistication to any space.

Color Description

Chrome is a sleek, mirror-like silver with liquid clarity, polished to brilliance. It reflects its surroundings with sharp precision, evoking the clarity of liquid metal. Luminous and sophisticated, this finish embodies modernist purity and serves as both a striking highlight and a refined counterbalance to textured tones.

Pearl Floor Lamp - Chrome

Maintenance Guide Description

Our lamps crafted from chrome-plated perforated aluminium require gentle, consistent care to preserve their refined shine and long-lasting quality. Dust the surface regularly with a soft, dry microfiber cloth, and use a soft brush to lift particles from the perforations without applying pressure. Avoid using water on perforated chrome surfaces, as moisture may settle inside the holes and leave chalky marks or water spots. For occasional deeper cleaning, lightly wipe only the smooth exterior areas with a slightly damp cloth and mild, pH-neutral soap, keeping moisture away from perforations, and dry immediately with a clean, lint-free cloth. Do not use abrasive pads, harsh detergents, acidic cleaners, or metal polishes, as these can scratch or dull the chrome finish. Always switch off and unplug the lamp before cleaning. With simple, attentive care, the lamp's perforated chrome surface will maintain its luminous character and crafted elegance for years to come.

Materials Description

The chrome finish combines technical precision with modernist clarity. Using Decorative Trivalent Chrome Plating (Cr III) on aluminium, the surface is polished to a mirrored brilliance that reflects its surroundings with sharp precision. Sleek and striking, it serves as a counterbalance to textured finishes, capturing light and form like liquid metal while embodying the clean lines of contemporary design.
