Toe Chair Armrest - Classic Brown Oak / Dark Brown

Designed by

Kristian Sofus Hansen &
Tommy Hyldahl

Toe Chair Armrest - Classic Brown Oak / Dark Brown

Product Description

The Toe Chair Armrest in Classic Brown Oak / Dark Brown is a sculptural lounge chair from the Toe Series, inspired by the bold optimism of 1970s space-age design. Its rounded, flowing form combines soft architectural volumes with a strong material presence, where comfort and structure meet in balance.

Thick fluted upholstery shapes a generous, continuous silhouette, while solid FSC-certified American Red Oak armrests introduce a warm, architectural contrast. Shaped like subtle wings, they provide both support and a practical resting surface.

The dark brown woven fabric adds a deep, earthy character with a refined, nubby texture and matte finish. Its durable basket weave construction ensures long-lasting performance, making it suitable for both residential and high-use environments.

Together, oak and textured upholstery create a timeless dialogue of softness and strength. The Toe Chair Armrest works as a sculptural statement on its own or as part of a larger seating composition within the Toe Series.

Designer Description

Tommy Hyldahl and Kristian Sofus Hansen intertwine their distinct sensibilities to create designs where storytelling, materiality, and timeless form meet in quiet harmony.

With a background in fashion, Tommy brings an intuitive eye for trends, colors, and textures. His process is one of layering histories, blending details and references from past design periods and reimagining them into something fresh and contemporary. Each collection unfolds as a narrative, evolving from concept to creation, with every element contributing to a greater story.

Kristian, who has lived and studied in Japan, seeks to unite Japanese aesthetics with Danish design, creating a characteristic twist on simplicity itself. His work is defined by the search for subtle, original details that elevate each piece with a unique signature. Drawing inspiration from art and sculpture, his creative process unfolds in new and exciting ways, always striving to craft designs that are both functional and timeless.

Together, they craft design that transcends time, poetic yet practical, expressive yet enduring.

Toe Chair Armrest - Classic Brown Oak / Dark Brown

Family Description Text

The Toe Series is more than a collection of lounge furniture. It is an ode to the bold optimism of the 1970s space age, reimagined for contemporary living. Here furniture becomes sculpture and comfort becomes a form of architecture. Thick, fluted upholstery flows across seamless forms like a soft rhythm, shaping generous volumes that feel both expressive and serene.

Defined by rounded geometries and sculptural proportions, the series shares a unified language of tactile softness and effortless comfort. Seats and backrests are shaped from layers of premium foam, creating flowing contours that gently embrace the body while maintaining a strong architectural presence.

Most pieces express the purity of the upholstered form, including the Toe Ottoman, Toe Lounge, Toe Armchair and Toe Flat. The Toe Armrest Chair and Toe Sofa Armrest introduce a contrasting architectural element through solid oak armrests for indoor settings or teak for outdoor environments. Formed from thick planks and shaped like subtle wings, they provide natural support for the hand while also serving as a practical resting surface for everyday essentials.

Together the Toe Series transforms interiors into spaces of imagination where the spirit of futurism meets contemporary craftsmanship. More than seating, it is comfort shaped into sculpture and design distilled into poetry.

Color Description

This pairing brings together the rich warmth of Classic Brown Oak with the deep intensity of Dark Brown. The oak's natural grain and warm brown tones add texture and character, while the darker shade introduces depth and quiet strength. With its chocolate like richness and earthy undertones, Dark Brown recalls weathered wood, cocoa, and the shadowed forest floor.

Together they create a layered composition of warmth and depth, where natural wood texture meets a darker, grounding tone. The result feels timeless and sophisticated, balancing organic character with a calm, enduring elegance.

Maintenance Guide Description

This piece combines the natural strength of oak with the durability of textured upholstery fabric. With regular and gentle care, both materials will maintain their appearance and performance over time.

For oak surfaces, wipe regularly with a soft, dry or slightly damp cloth to remove dust and everyday marks. If necessary, use a mild wood cleaner suitable for finished wood. Avoid harsh chemicals, abrasive pads, or excessive moisture, as these may damage the wood's finish. Always dry the surface after cleaning and wipe up spills promptly to prevent stains.

For textured upholstery fabric, gently vacuum the surface with a soft brush attachment on a low setting to remove dust and prevent dirt from settling into the weave. If spills occur, blot immediately with a clean, dry cloth. Avoid rubbing, as this can push liquid deeper into the fabric and affect the texture. Light marks may be treated with a slightly damp cloth or a mild upholstery cleaner, always testing first on a small hidden area.

Keep the furniture away from prolonged direct sunlight to help preserve both the wood and the fabric. For deeper cleaning or stubborn stains, professional upholstery cleaning is recommended.

With regular care, the combination of oak and textured upholstery fabric will retain its natural warmth, comfort, and durability for many years.

Materials Description

This combination brings together the natural strength of oak with the tactile depth of textured upholstery fabric, creating a balance between solid structure and soft comfort.

Our wooden furniture begins with American Red Oak, a living material with a story in every grain. FSC certified and responsibly sourced, this hardwood carries the quiet strength of the forests it comes from. Naturally resilient and long lasting, it matures over time and develops a rich patina that reflects years of use and care. Oak's tight grain and inherent durability make it ideal for everyday living, while its warm tones and expressive surface add a grounded and refined character.

Paired with the oak is a textured woven upholstery fabric with a medium to heavy weight construction. Its tight basket weave is formed by thick, slightly irregular yarns that create a subtle nubby surface with a tweed like character. The matte finish highlights the fabric's natural texture, giving it depth and a calm, understated appearance.

Strong and resilient, this fabric is well suited for furniture in private homes as well as high use environments such as hotels and lounges. Together, oak and textured upholstery fabric create a harmonious dialogue between natural materiality and durable comfort, resulting in furniture that feels both timeless and inviting.
