Tommy Hyldahl

Toe Chair Armrest - Coffee Black Oak / Desert

Product Description

The Toe Chair Armrest is where sculpture becomes a place to sit. Born from the bold optimism of 1970s space-age design, its rounded silhouette and thick fluted upholstery shape generous volumes that feel both expressive and serene.

Seat and backrest are formed from layers of premium foam, creating flowing contours that gently embrace the body while maintaining a strong architectural presence. Solid Coffee Black Oak armrests introduce a striking material contrast - crafted from FSC-certified American Red Oak, shaped like subtle wings and finished to a profound near-black depth, they offer natural hand support and a practical resting surface, developing a rich patina over time.

The 100% wool velvet upholstery brings a richly textured surface that shifts gently with the light, creating subtle depth and movement. Soft and inviting to the touch, it combines natural warmth and resilience with a refined character suited to both private interiors and high-use environments. In Desert - a soft sandy brown with gentle golden and beige undertones - the velvet adds the quiet warmth of sunlit earth, balancing the depth of the dark oak in a timeless and sophisticated harmony.

Equally at home as a sculptural statement piece or part of a larger seating composition, the Toe Chair Armrest pairs naturally with the Toe Sofa Armrest and Toe Ottoman to create a cohesive landscape of soft architectural comfort.

Designer Description

Tommy Hyldahl and Kristian Sofus Hansen intertwine their distinct sensibilities to create designs where storytelling, materiality, and timeless form meet in quiet harmony.

With a background in fashion, Tommy brings an intuitive eye for trends, colors, and textures. His process is one of layering histories, blending details and references from past design periods and reimagining them into something fresh and contemporary. Each collection unfolds as a narrative, evolving from concept to creation, with every element contributing to a greater story.

Kristian, who has lived and studied in Japan, seeks to unite Japanese aesthetics with Danish design, creating a characteristic twist on simplicity itself. His work is defined by the search for subtle, original details that elevate each piece with a unique signature. Drawing inspiration from art and sculpture, his creative process unfolds in new and exciting ways, always striving to craft designs that are both functional and timeless.

Together, they craft design that transcends time, poetic yet practical, expressive yet enduring.

Toe Chair Armrest - Coffee Black Oak / Desert

Family Description Text

The Toe Series is more than a collection of lounge furniture. It is an ode to the bold optimism of the 1970s space age, reimagined for contemporary living. Here furniture becomes sculpture and comfort becomes a form of architecture. Thick, fluted upholstery flows across seamless forms like a soft rhythm, shaping generous volumes that feel both expressive and serene.

Defined by rounded geometries and sculptural proportions, the series shares a unified language of tactile softness and effortless comfort. Seats and backrests are shaped from layers of premium foam, creating flowing contours that gently embrace the body while maintaining a strong architectural presence.

Most pieces express the purity of the upholstered form, including the Toe Ottoman, Toe Lounge, Toe Armchair and Toe Flat. The Toe Armrest Chair and Toe Sofa Armrest introduce a contrasting architectural element through solid oak armrests for indoor settings or teak for outdoor environments. Formed from thick planks and shaped like subtle wings, they provide natural support for the hand while also serving as a practical resting surface for everyday essentials.

Together the Toe Series transforms interiors into spaces of imagination where the spirit of futurism meets contemporary craftsmanship. More than seating, it is comfort shaped into sculpture and design distilled into poetry.

Color Description

This pairing unites the profound depth of Coffee Black Oak with the soft warmth of Desert velvet. The oak's nearly black tone, enriched by subtle brown undertones, creates a striking contrast with the velvet's sandy brown color touched by gentle golden and beige hues. The velvet's soft surface catches the light delicately, adding depth and a quiet sense of luxury.

Together, they balance darkness and warmth, strength and softness. The result is a composition that feels both grounded and refined, where deep wood tones meet the calm warmth of sunlit earth in a timeless and sophisticated harmony.

Maintenance Guide Description

This piece combines the natural character of oak with the soft richness of velvet. With regular and gentle care, both materials will maintain their beauty and comfort over time.

For oak, wipe the wooden surfaces regularly with a soft, dry or slightly damp cloth to remove dust and everyday marks. If needed, use a mild wood cleaner suitable for finished wood surfaces. Always dry the surface after cleaning and avoid harsh chemicals, abrasive pads, or excessive moisture, as these may damage the finish. To protect the wood, use coasters or felt pads under objects and wipe away spills promptly.

For velvet upholstery, gently vacuum the fabric with a soft brush attachment on a low setting to remove dust and keep the fibers fresh. In the event of spills, blot immediately with a clean, dry cloth. Avoid rubbing, as this can push liquid deeper into the fabric and disturb the pile. Minor marks can be treated with a slightly damp cloth, and the velvet can be lightly brushed in the direction of the nap to restore its soft texture.

Keep velvet away from prolonged direct sunlight and excessive moisture to preserve its color and texture. Pressure marks from use can often be softened by lightly steaming the fabric from a distance and gently brushing the fibers back into place once dry. For deeper cleaning or stubborn stains, professional upholstery cleaning is recommended.

With regular care, the combination of oak and velvet will retain its elegant balance of warmth, texture, and softness for many years.

Materials Description

This piece brings together the natural strength of oak with the soft richness of velvet, creating a balance between structure and comfort.

Our wooden furniture begins with American Red Oak, a living material with a story in every grain. FSC certified and responsibly sourced, this hardwood carries the quiet strength of the forests it comes from. Naturally resilient and long lasting, it matures over time, developing a rich patina that reflects years of use and care. Oak's tight grain and inherent strength make it ideal for everyday living, while its warm tones and textured surface add a grounded and refined beauty. We work with the wood respectfully, allowing its natural stability to guide sculptural forms with bold lines, soft curves, and details that highlight its character.

Paired with the oak is velvet upholstery, crafted from 100% wool. The dense pile creates a smooth, soft surface that gently catches the light, adding depth and movement to the color. Soft to the touch yet highly durable, the fabric offers both comfort and resilience, making it well suited for furniture in private homes as well as high use environments such as hotels and lounges.

Together, oak and velvet create a harmonious dialogue between strength and softness, where natural structure meets tactile warmth in a composition that feels both timeless and inviting.
